PROFILE

As a highly skilled UI and web designer, my user-centered approach, coupled with a background in teaching and customer service, allows me to create tailored and visually engaging interfaces across multiple platforms, delivering impactful digital solutions that prioritize user needs and preferences. My commitment to creating intuitive and seamless designs makes me an invaluable asset in delivering impactful digital solutions for any business or nonprofit.

PROFESSIONAL EXPERIENCE

WEBSITE DESIGNER | CONTRACT

Georgia Watch, Nonprofit, Remote 2022 - Present
[View my process](#)

- Performed an audit of the website design to identify areas for improvement in areas of user experience and visual aesthetics.
- Analyzed data for the prioritization of critical areas of concern to be addressed to enhance the overall user experience.

WEBSITE DESIGNER | FREELANCE

Freedom K9 Project, Nonprofit, Remote 2022 - Present
[View my process](#)

- Revised the existing website by adding ten more pages and maintaining the brand identity throughout through visual consistency.

USER INTERFACE DESIGNER | FREELANCE

Hearts for Emma, Nonprofit, Remote 2022 - Present
• Analyzed user data, obtained from the previous WordPress website, to design a new website by reproducing sections with high traffic and engagement, reworking problem areas, and enhancing the user experience using the platform, Editor X.

WEBSITE AND GRAPHIC DESIGNER | FREELANCE

Luley Plants LLC, Remote 2022 - 2023
[View my process](#)

- Created user personas for a comprehensive assessment of the requirements and potential pain points of target customers.
- A comprehensive branding guide was created and the logo was finalized based on the desires and requirements of the Client.

K-5 ART SPECIALIST | CONTRACT

Clark County School District, Las Vegas, NV 2019 - 2021

- Planned, prepared, and executed lessons based on 700 students' data and educational needs.
- Facilitated discussions of the elements and principles of art that are aligned with national, state, and local art standards.
- Collaborated with other educators in the district for introduction to new methods of teaching.
